

**Hello Year Two, how are you all? Miss Eagle, Miss McAulay and Miss Hoyle hope you are all feeling very rested, happy and calm. We are missing you all very much and are thinking all the time of activities that you can do to make you even more amazing than you already are. So, here are some tasks that we think you will be great at doing. Remember to record what you can in your home learning books-we would LOVE to see your learning journey over these next few weeks. Lots of love from the Year Two team x**

## **Maths**

**Try These excellent classroom secrets links to practise your measuring skills.**

<https://classroomsecrets.co.uk/free-year-2-measure-length-cm-iwb-length-and-height-activity/>

**Recap your knowledge of shape.**

<https://classroomsecrets.co.uk/free-year-2-recognise-2d-and-3d-shapes-iwb-properties-of-shape-activity/>

<https://classroomsecrets.co.uk/free-year-2-recognise-2d-and-3d-shapes-homework-extension-properties-of-shape/>

<https://classroomsecrets.co.uk/shape-year-2-recognise-2d-and-3d-shapes-free-discussion-problems/>

**Keep practising your knowledge of fractions**

<https://classroomsecrets.co.uk/free-year-2-make-equal-parts-iwb-fractions-activity/>

<https://classroomsecrets.co.uk/fractions-year-2-make-equal-parts-free-discussion-problems/>

<https://classroomsecrets.co.uk/free-year-2-make-equal-parts-homework-extension-fractions/>

place value

<https://classroomsecrets.co.uk/mixed-age-year-1-and-2-place-value-step-1-free-resource-pack/>

Watch this video clip about recognising equal groups and then answer these questions about the video

<https://classroomsecrets.co.uk/free-recognise-equal-groups-year-2-multiplication-and-division-learning-video-clip/>

**Has she created equal groups of each sweet?**

**Complete the sentence below for each type of sweet.**

Round swirls: There are \_\_\_ equal groups with \_\_\_ each group.

Heart lollies: There are \_\_\_ equal groups with \_\_\_ each group.

Funky twists: There are \_\_\_ equal groups with \_\_\_ each group.

**Which elf suggests using the fewest number of trucks?**

Finally, try some solve emoji puzzles which I know you will all enjoy!

## English

Keep practising apostrophes with this helpful PowerPoint and question pack

<https://classroomsecrets.co.uk/recognising-simple-contractions-year-2-apostrophes-free-resource-pack/>

Conjunctions (BOA conjunctions) resource pack

<https://classroomsecrets.co.uk/using-year-2-conjunctions-free-resource-pack-2/>

Try these 'Question of the Day' activities-just do one per day.

### Day 1

<https://classroomsecrets.co.uk/free-ks1-conjunctions-iwb-gps-question-of-the-day-day-1/>

### Day 2

<https://classroomsecrets.co.uk/free-ks1-sentence-types-iwb-gps-question-of-the-day-day-5/>

### Day 3

<https://classroomsecrets.co.uk/free-ks1-punctuation-marks-iwb-gps-question-of-the-day-day-6/>

### Day 4

<https://classroomsecrets.co.uk/free-ks1-adverbs-iwb-gps-question-of-the-day-day-7/>

## Reading

Keep logging onto Bug club where you will find new books allocated for you.

**This is a fantastic daily interactive timetable from Twinkl. There are lots of great activities to keep you structured throughout your day.**

<https://www.twinkl.co.uk/home-learning-hub>

## RE

The following RE tasks should be completed by 20.4.20. They can be completed in your Home Learning Books or in any other way you feel appropriate. For example, you may decide to take photographs or create a piece of artwork. Please note the challenges are optional.

**Paschal candle template is at the end of this document.**

**Beginnings and endings PowerPoint and paschal candle PowerPoint are attached in a separate PowerPoint document.**

## **Task 1: Research the Paschal Candle.**

1. The symbols on the candle include the light, the cross, the alpha and omega, the year and the five grains of incense.

What are the meanings of these symbols?

*Record your findings in your home learning book.*

2. Please find the Paschal Candle template below. You can either use this template or draw your own. Design your own Paschal Candle.

## **Challenge:**

Look at pictures of these different Paschal candles.

They are different.  
additional  
been  
*Record in*

similar but  
Why? Which  
symbols have  
used? Why?  
*your home*

*learning book.*

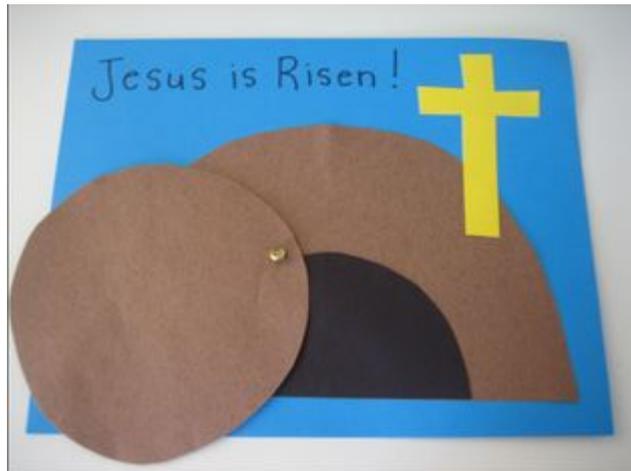

## **Task 2: Create a rolling stone craft.**

You can either draw the tomb (see picture) or create a tomb using paper or card.

1. Please read the PowerPoint all about the story of Easter.

Jesus' old life was left in the tomb. Write or draw inside the tomb what you would like to let go of. E.g. Worries or fears that you have.

Jesus came out of the tomb in new life. On the rock, write or draw what you are looking forward to at this time.

**Challenge:**

What has saving people got to do with Jesus and  
*Answer in your Home Book*

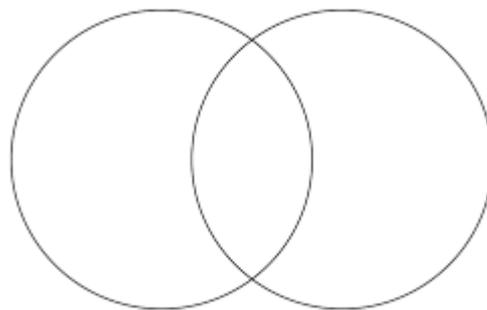

and rescue  
Easter?  
*Learning*

**Task 3: Symbols of Easter.**

Either take photographs or draw symbols of Easter. You could also use images from the internet. E.g. lamb, cross, Easter eggs

**Challenge:**

Organise the symbols you have recorded into 'traditional Easter symbols' and 'modern symbols of Easter.' You could use a Venn diagram to show this.

Finally, why not colour a rainbow and put it in your window to make those walking past your window smile. It could make their daily walk that little bit better.
