

We miss you all and hope that you are keeping safe and healthy.

We would like you to continue working through your learning packs which are filled with basic skills activities. Below, you will find a variety of further activities for each subject. Aim to complete at least one Maths and English activity per day as well as an activity from another subject- and lots of reading!

Remember to use Bug Club, RM EasiMaths and TT Rockstars!

You can complete any written work in your red exercise book.  
We can't wait to see it all!

### Maths

Look at the clock (on the wall, on a tablet, on the TV) and tell the time.

- ✓ How many minutes past the hour is it?
- ✓ How many minutes are there to the next hour?
- ✓ What time will it be in 90 minutes?
- ✓ How long did you spend exercising outside?

Click the link below and go onto Week 1 for 5 Maths lessons on fractions.

TT Rockstars has been set up with Garage Challenges for you to complete by the end of the week.

## English

<https://www.twinkl.co.uk/resource/t-t-10621-hansel-and-gretel-story-powerpoint>

<https://www.twinkl.co.uk/resource/t-l-527091-ks1-hansel-and-gretel-differentiated-reading-comprehension-activity>

This was one of Miss McNulty's favourite stories when she was a little girl.

Read the story of Hansel and Gretel and complete the following activities.

- ★ Act out the story
- ★ Draw and label your own house made from sweets
- ★ Tell someone the story from the point of view of the witch
- ★ Many years after the Hansel and Gretel story happened, a diary was found in a box of old books donated to the Storyland Charity Shop. It was dated Thursday 13th March 1856 and it gave an insight into the real story. Can

you write an interesting diary entry of your choice from Hansel, Gretel or the witch for that date? What will the diary entry reveal?

**Remember to include:** past tense; fronted adverbials; time conjunctions; descriptions; feelings; paragraphs; inverted commas for direct speech and adventurous vocabulary.

### **Accelerated Reader**

Remember to complete accelerated reader quizzes for any books that you complete. Use the link below and your own log-in details.

<https://ukhosted78.renlearn.co.uk/6709680/>

### **Science**

You can use the PowerPoint presentation and then complete some of the sheets. Please note there are different versions of the same sheet so you can choose which one to do.

### **Try this experiment**

<https://sciencebob.com/try-the-egg-drop-challenge/>

Take some pictures and videos to share with us!

### **Religion**

As you know, our unit is Joy, Sadness, Joy.

Use emojis to complete the following table, showing how each group felt during the events of Easter Week.

	Jesus	His Followers	You
Palm Sunday			
The Last Supper			
Good Friday			
Easter Sunday			

**PE**

How many skips can you do in one minute?

How many tuck jumps can you do in one minute?

How many hops can you do in one minute?

How many sit ups can you do in one minute?

How many high knees can you do in one minute?

How many star jumps can you do in one minute?

### **Computing**

Download the Bee-Bot App and see if you can create algorithms (a fancy word for instructions) and solve problems within your code.

### **Art & DT**
