

Hi Year 5,

We hope you are all keeping safe and well and staying inside. Here are some activities to keep you busy:

General:

Make sure you logon to <https://kids.classroomsecrets.co.uk> using the login details provided in your home learning pack.

There are lots of Maths, Reading and EGPS activities on there and more are being added all of the time. They are interactive and will let you know straight away if your answers are correct. Don't forget to check out the learning blog to see what everyone else is up to!

English:

Visit https://www.englishmastery.org/wp-content/uploads/2020/03/Pupil_English_Year-5-Workbook-WK1-4-V2.pdf and complete the week 1 materials. There is reading, writing, spelling and grammar, all based around the story POG!

Maths:

Visit <https://whiterosemaths.com/homelearning/year-5> and click on Week 2.

There are five more lessons on decimals for you to work through on there. The answers are even provided for you to check your work.

Science:

Visit: the Wonderopolis site- <https://wonderopolis.org/wonder/What-is-COVID-19#>

THE BIG QUESTION

What is COVID-19?

Have You Ever Wondered...

- What is COVID-19?
- What are the symptoms of COVID-19?
- How can I avoid getting or spreading COVID-19?

Take the Wonder word challenge and Test your knowledge.

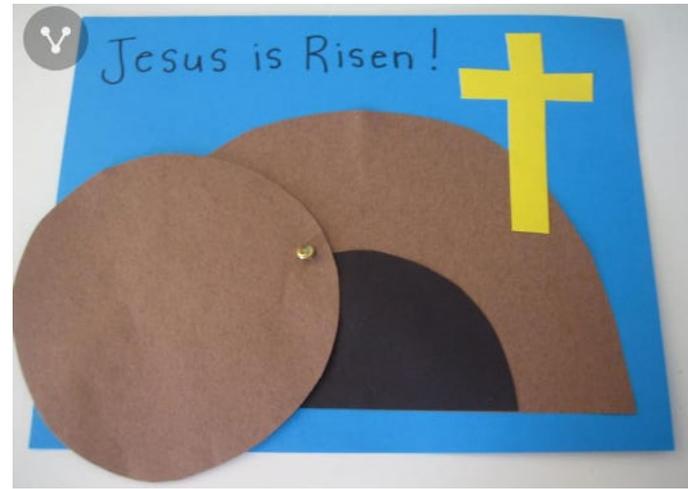

Hopefully all of your questions about COVID-19 will be answered.

Geography: New Topic-Rivers (see other attached documents)

Lesson 1: To explain the water cycle and to locate the key rivers of the UK.

Read through the power point named, "Where does our water come from?"

similar – you could create a stop motion animation if you're feeling fancy! Or, make an empty tomb scene like some of the examples below. If you need reminding of the story, here is our favourite animated version: <https://www.youtube.com/watch?v=HL8R158Ujp4>

Latin:

Visit <https://www.vindolanda.com/home-learning?fbclid=IwAR32qV1sGrx8R-LxpUhz4Ocj5HfkouWpJd37ffX1trUTHxTjpAyzvqIFIR0> and complete the 'Writing Tablet Mystery' activity.

Useful Websites:
