

PLC Home Learning Tasks

Hello PLC

I hope you are all still staying safe and looking after yourselves and your family.
Have you seen our video to you on See-Saw. I hope that you enjoy it!

One of our challenges this week is to build up our thinking, speaking and listening skills, with some conversation games.

Choose some questions to chat about with your family each day. Remember to let everybody have a turn and listen carefully to each other's ideas.

Would you rather go to the beach or to the funfair? Why?	What is the best thing about being a part of your family?	If you were only allowed to keep your two most favourite toys. What would you choose?	Tell us something that makes you happy.
What is your favourite thing to do?	Tell us about something nice that you did for someone else today.	What is something that you would like to learn?	What do you like the best about the person sitting next to you (on the left)?
If you could have a super power, what would it be?	Describe your perfect day.	If you could go anywhere in the world, where would it be? Why?	If you had to live inside a TV show for a whole week, which show would you like to be in?

It is good to build up the different parts of our brain... so let's get creative!

PLC Word of the Week

miserable

Just like Mrs Jones' challenges- can you find out the meaning of our word, use our word in a sentence or use our word in a piece of writing?

Bonus challenges:

If our word was a colour, what colour might it be?

If our word was a picture, what might it look like?

If our word was an animal, what animal might it be?
