

Reception Home Learning Tasks

Hello Reception, we are missing you all so much and hope that you are all safe. We love seeing your work on the school blog and on Seesaw, it really makes us smile. Lots of smiles from Miss Harper and Miss Hearty 😊

<p>Complete the Picture News task that can be found on the school website.</p>	<p>Make a time story about your day. Show the time on your clock and write a sentence beside it telling us what you do at that time.</p>	<p>Listen to your favourite Julia Donaldson story on https://www.bbc.co.uk/programmes/p06vkmht</p> <p>Can you spot any rhyming words? Why is this your favourite story? What do you like about it?</p>	<p>Create a number hunt for you and your family. Write numbers 1-20 or beyond for extra challenge. Hide each number somewhere in your house or garden. Encourage your family to find as many numbers as they can, you could give some clues.</p>
<p>If your grown up has access to email you could use your phonic knowledge and help from a grown-up to send your teachers an email. Our email address is reception@st-margaretsanfield.liverpool.sch.uk We love to hear from you.</p>	<p>Practise letter formation This clip may help you https://www.youtube.com/watch?v=TYYSBProJH4 Can you practise your letter formation in shaving foam or finger paints or any other exciting materials?</p>	<p>Find some items around your house. Fill a bowl of water. Predict if each item will float or sink, why? Carry out the experiment. Where your predictions correct?</p>	<p>Cupcake sums (or any containers that you have). Write some sums in the cup cake cases. Use small objects to work out the answers to the sums.</p> 
<p>Find out a little about VE Day then design a VE Day Medal. This medal is to celebrate the end of the first World War. Be as creative and as colourful as you like.</p>	<p>Create a new character. Draw a picture of them. Describe them. What colour is their hair? Are they magic? What is their name? What do they like to eat? Where do they live? Use your phonics to write labels or sentences about them.</p>	<p>https://www.phonicsplay.co.uk/Pi-cnicOnPluto.html</p> <p>Use your phonic knowledge to decode the words and sort them between Obb and Bob.</p>	<p>Use your robot arms to segment (break up) the sounds of objects around your home then blend them together to rebuild the word. For example chair</p> <p>Segmented - ch air blended - chair</p>
