Message from Mrs Hughes...

Hello to you all, I hope you are safe and well.

We have had another very busy week here at SMA after updates and announcements from the government and Liverpool City Council. We have sent a letter out to update you all and you can find a copy here on our website <http://stmargaretsanfield.co.uk/wp-content/uploads/2020/05/SMA-Hub-Letter-June-2020.pdf>

Please note that SMA hub will close Friday 22nd May and we will reopen on **Wednesday 3rd June to children of key workers and vulnerable children only.**

We have seen some fantastic work on the Seesaw app and how creative you can be! If you haven't had the time to post anything online, just remember you are all superstars! As we come to the end of Mental Health Week and the start of a half term holiday we need to remember to show kindness to ourselves as well as others. You all should take a break from the school work you have been doing at home and to enjoy the half term holiday with your family.

Please all continue to stay safe and look after one another,
Mrs Lesley Hughes

Book Recommendation...

The Smeds and the Smoos by Julia Donaldson—Mrs Parry

Don't forget there is a free library available on <https://readon.myon.co.uk/library/browse.html>

Activities this week

Miss Spittlehouse challenges you to this quiz! (Answers in next week's newsletter!)

Solve these anagrams to find out who some of my favourite Disney characters are:

FOAL
YOREEE
NAAMO
CHISTT
ERPET NAP

Miss Harper has a great activity this week: Create your own weather chart!

Keep a diary of the weather changes that you observe throughout the week. Research the weather predictions for the week and see whether they were accurate. Can you predict the right weather for the next day?

Miss McNulty has a fantastic suggestion that you may have seen on Seesaw to take some time out and unwind with Yoga! Find some yoga stories to follow on <https://www.youtube.com/user/CosmicKidsYoga>

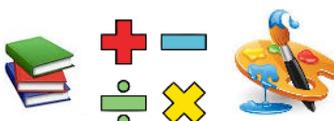

Mrs Lee has been knitting one square a day for each day she has been in lockdown! We have seen some great examples of how you have counted your days on Seesaw and would love to see more!

Joke of the Week

Q: How do Bees get to school?

A: On the School Buzz!

Thought for the day from David Thorpe our Senior Diocesan Schools' Adviser...

LET THE SUN COME IN

When we open our windows, we don't have to invite, ask or beg the fresh air to come in.

When we open the curtains in the morning we don't have to ask the sun to shine in.

We simply open the window and the air flows in. We open the curtain and the sun shines in.

The Bible tells us that it's like that with God's peace. It will flow into our hearts if we open our heart to Him, just as we open a window or the curtains.

Are you anxious today?
Are you worried?

What's troubling you today?

Don't try to work it all out by yourself.

Let God's peace flow in ... like the sunshine pours into a dark room when the curtains are opened.

"Let the peace of Christ rule your hearts, since as members of one body you were called to peace."
(Colossians 3:15)
