

Home Learning Tasks WB 3.6.20

Hello Year Two-we hope you are all safe and well at home and are enjoying your home learning tasks. Hopefully we will see you all soon but until then, here are more activities for you to complete.

Maths

Learn all about arrays using this BBC Bitesize link.

<https://www.bbc.co.uk/bitesize/articles/zrf8jhv>

English

Try the Bitesize Daily Book Club: *Attack of the Demon Dinner Ladies* by Pamela Butchart.

<https://www.bbc.co.uk/bitesize/articles/zncc92p>

Music

This week: Things are getting dramatic!

Become a mythical warrior and practice your acting skills with a drama workshop inspired by *Ride of the Valkyries* from Wilhelm Richard Wagner's opera *Die Walküre* and the theme tune from *Star Wars*!

<https://www.bbc.co.uk/teach/ten-pieces/ten-pieces-at-home/zjy3382>

Geography

Can you learn a mnemonic to help you to remember the compass directions? For example:

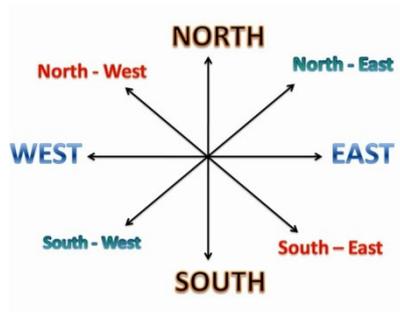

Never

Eat

Shredded

Wheat

Following this, can you practise using the directions correctly, e.g. taking four steps west.

Now, looking at a map of the United Kingdom, have a go at finding a place in the North and a place in the South. Where are we in Liverpool?

Oracy

Have a go at our new *Game of the Month* (see attached). We would love to hear how you get on through our *Seesaw* app.

Mindfulness

Listen to a song of your choice. Put your pencil on paper and draw what the music does. Did you draw any particular shapes or patterns?

Science

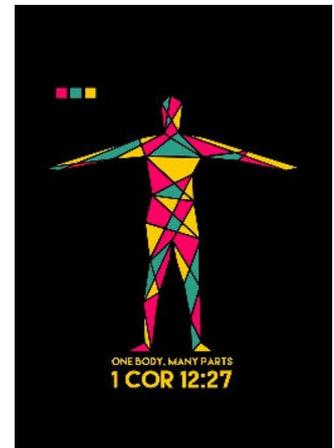

Look at this link to Knowsley Safari Park and look at the videos about the different types of animals; mammals, reptiles, birds, amphibians and fish. We would have been looking into this in class so see what you can learn on Knowsley Safari Park's website. Have a look around-you can even watch a lion having an x-ray!

R.E

We are all members of Year 2 even though we are all separate at the moment. No matter where we are, we are all part of our classroom body. The Bible tells us that the church is made up of people - it is not just a building. People can be the church wherever they are and wherever they meet. When the church began, there were no buildings only people.

<https://www.knowsleysafariexperience.co.uk/explore/home-school-safari/>

We all bring something special to our class body. We all have different talents, skills and personalities. Everyone is an important part of the body.

Activity:

Draw an outline of a body and split the body into different parts as shown in the picture. Fill each section with the talents, skills and qualities of a person that you know. This could be a family member, a friend or a classmate. Notice how all of these people create a body of people that you know!

We would love to see your work on Seesaw!
