

PLC Home Learning Tasks

Hello PLC

With some of the new announcements and changes that are happening around us lately, some of us might be feeling a bit worried or anxious. It is OK to feel like this but it is also useful to try strategies to help us to understand our worries and help us to feel better.

This week we have a lovely story to listen to called 'Worrysaurus' and you can also complete our Worry Monster activity for you and your family.

Click on the link below to hear the story.

HOW CAN WE MAKE THIS WORRIED MONSTER FEEL BETTER?
WRITE OR DRAW IN THE CLOUD SHAPES

Let's Celebrate!

Think about a person who you think is special.

This could be: someone from your family, a friend, someone on the television or from a book you have read. It might even be you!

Can you think of some words to describe this person?

Your challenge is to write a letter or make a card for your special person telling them why you think they are special.

PLC Word of the Week

Worried

Just like Mrs Jones' challenges- can you find out the meaning of our word, use our word in a sentence or use our word in a piece of writing?

Bonus challenges:

If our word was a colour, what colour might it be?

If our word was a picture, what might it look like?

If our word was an animal, what animal might it be?
