## This week's theme: Celebration and new beginnings

This week we want you to continue to celebrate some of the wonderful things you have achieved this year! The friendships you made, the fun you had, the new things you learnt and everything else that made your time in Year 1 so special. We are also encouraging you to think about the exciting things ahead when you come back to school and when you start Year 2.

You can celebrate these special moments any way you like. Here are some ideas.

- Draw a picture of you and your friends
- Create a memory jar by writing notes of your favourite times (You could keep this forever and add to it at the end of every school year!)
- Write a list of 5 things you loved this year
- Draw a picture and write a sentence about your favourite Year 1 memory
- What are you looking forward to when you return to school?
- What are you excited to do in Year 2?
