WIDER SCHOOL COMMUNITY

Dear Parent or Carer,

We have been advised by Public Health England that there is a confirmed case of COVID-19 within our school community.

I would like to take time to reassure you that we have taken all necessary actions since hearing this information to keep all children at our school as safe as possible. **The children and staff in that bubble are now self-isolating for 14 days and the school has been cleaned appropriately.**

School remains open for all other year group bubbles and providing your child remains well, they can continue to attend school as normal. We will keep this under review.

How to stop COVID-19 spreading

There are things you can do to help reduce the risk of you and anyone you live with getting ill with COVID-19

- wash your hands with soap and water often – do this for at least 20 seconds
- use hand sanitiser gel if soap and water are not available
- wash your hands as soon as you get home
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin immediately and wash your hands afterwards
