**With God, all things are possible.**

Dear Parents and Carers,

### **Welcome back!**

I am really looking forward to welcoming all our pupils back to school on **Monday 8th March**. Please use the same gates and staggered times that have been in place since September. If you need a reminder of the gates or times, please check the information on our website using this link: <https://rb.gy/qkpjnp>

As always, please ensure that you wear a face covering and follow social distancing guidelines when dropping off/picking up.

I appreciate that the pavement on Lower Breck Road can become congested. If you feel that it is too busy on 'our' side of the road, you might feel more comfortable waiting over the road, and then using the crossing when things quieten down a little.

Please ensure that only 1 parent or carer drops off /picks children up to try to reduce congestion and maintain social distancing measures. Thank you.

### **Uniform and PE kits**

I appreciate that children may well have grown out of some of their school uniform over the last two months. Children should return to school in full uniform, but if you find that the winter uniform is too small, please do not waste money in purchasing new items, I am more than happy for children to return in their summer uniform instead, if this helps. Please check the Uniform Policy, on our website, using this link:

<https://rb.gy/fm95vi>

On PE days, children should continue to come to school in their PE kit. A polite reminder here, that it is school PE kit only that is allowed.

### **Breakfast Club**

Breakfast Club will continue as it was before 'Lockdown 3'. This means that if you were allocated a place, you can continue to arrive at school between 8:15am and 8:30am (no later) and will be escorted to a year group bubble for breakfast. Please wait at the school steps/pedestrian gate (in front of the school office) to be invited in as usual. If you are not sure if you have a place, please contact the school office.

I must take this opportunity to thank you all, once again, for your amazing support over what has been a year like no other. I can't express enough how much the staff here at SMA have appreciated your patience with us as we have navigated the changing guidance and procedures during the pandemic. We will continue to offer support via the class email if you should need to contact your class teacher. As always, I must urge you to contact us via the school office if you are struggling in anyway. We are here to help in any way that we can.

I look forward, as we all do, to what will hopefully be a brighter end to the Spring term and an even brighter Summer term too!

Mrs L J Hughes,  
Headteacher
