

St. Margaret's Anfield Primary School.

Year 3 curriculum map.

Term: Summer 1

Topic: Ancient Greece

Class novel: Greek Myths

English:

Books

In English, we will be reading a variety of Greek myths.

Writing

This half term we will be studying and writing our own Greek myths. We will then use a text to write our own play script.

Reading

In Guided Reading, we will continue to develop our inference and comprehension skills.

Maths:

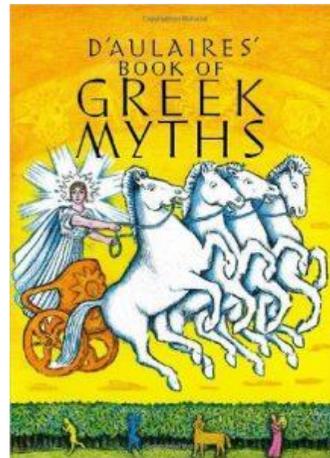

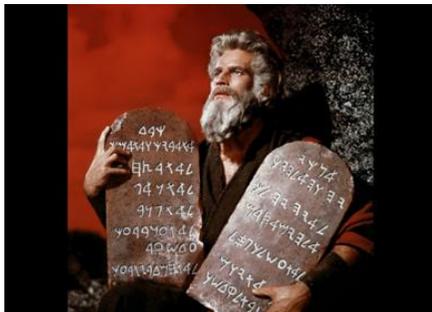

In Maths, we will be gathering, presenting and answering questions about statistics. We will also be practising and developing our reasoning and problem solving skills.

Science:

As Scientists, we will be studying Plants. We will carry out a long-term investigation of the factors that affect the growth of plants, observing and measuring the plants for the course of the unit. We will identify and describe the functions of different parts of flowering plants. We will investigate the way in which water is transported within plants. Finally, we will explore the part that flowers play in the life cycle of flowering plants, including pollination, seed formation and seed dispersal.

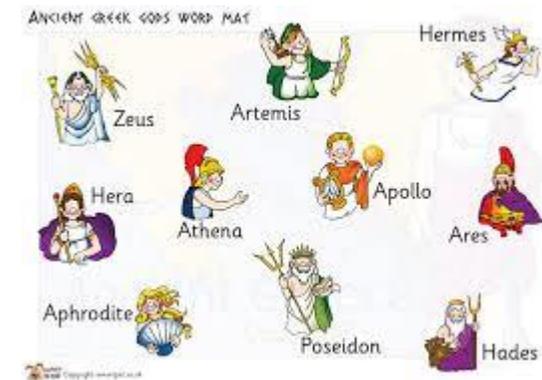

Religious Education:

We will be learning all about 'Rules for Living'. We will explore different rules we have and why we have them in different situations. This links to the Ten Commandments given to Moses on Mount Sinai.

History:

In History we will be learning all about life in Ancient Greece. We will explore their beliefs and the gods they worshipped. We will read a variety of Greek myths and even writing our own!

PSHE:

Our Jigsaw puzzle is 'Relationships'. In our PSHE lessons, we will be learning about how some of the actions and work of people around the world help and influence our lives.

Physical Education: This half term we will be exploring team work games such as football and Lacrosse. We will explore what it means to work as a team and will learn more about the skills needs to work together such as keeping possession and special awareness. We will be developing our team skills in taking part in relay activities. We will also be learning how to throw a variety of objects.

Art / Design Technology:

In Art we will study and then sketch Greek vases. We will then design and make a small Greek vase using clay.

We will be designing our Greek temples for Computing.

Spanish:

In Spanish we will be learning the days of the week and the alphabet.

We are very excited to have a new Spanish teacher, Senorita Franco!

Computing:

In Computing, we will be using Minecraft Edu to build Greek temples. We will plan our temple before choosing the resources needed to build it on Minecraft.

Music:

Bringing Us Together

We will be learning 'Bringing Us Together' which is a disco song about friendship, peace, hope and unity.
