10<sup>th</sup> September 2018

Dear Parent/Carer,

### **Gates**

Thank you for your patience and understanding today as we trialled our new electronic gates. We were delighted with how calmly the children entered the school site.

Currently Junior parents are encouraged to drop their child(ren) off at the Lower Breck Road/ambulance station gate. Once on site, the children are supervised by the Junior team of staff. We hope that by October, children will be able to enter the school yard without a parent/carer, however we appreciate that at the start of the new year, some children may feel unsettled and will require their parents support in taking them onto the yard for a short period of time. Therefore, for the next few weeks, we will keep the Infant and Junior yard open during pupil arrival time. We envisage this will only need to happen until October, at which point, parents/carers will need to access the Infant yard via the Infant gate.

As always, the safety of your children is our priority. We believe this electronic gate system will only serve to enhance our current strong security measures.

### **Infant Meal**

All children in the Infant department are entitled to a universal free school meal. We would ask you to encourage your child to have a school meal with us rather than providing a packed lunch – a deli option is always available.

Many thanks for your support

Mrs Lesley Hughes
