Dear Parent/Carer,

We have been informed of a case of head lice in your child's class.

Could I please ask you to check your child's hair for head lice straight away.

As you know, the school nurse no longer inspects your child's head and we are reliant on every parent checking regularly.

It is a good idea to check all members of your family and apply a suitable treatment.

Please be aware that you may need to continue to check your child's hair and administer treatment more than once if the treatment allows (please read instructions).

You do not need a doctor appointment to get head lice lotion, you can go to any pharmacy and they will prescribe the relevant location under the 'Care at the Chemist' Scheme.

Thank you in anticipation of your co-operation.

Yours sincerely

Mrs L Hughes
