

February 2019

Dear Parent/Carer

**Children/Young People with Education, Health and Care Plans (EHCPs)**

We are inviting parents/carers and children/young people to complete an online survey called POET (Personal Outcomes Evaluation Tool) relating to EHCPs.

The questionnaires can be accessed by clicking on the following links:

[Parent Questionnaire](#)

[Children and Young People Questionnaire](#)

POET has been designed to capture the views of children and young people, parents/carers and practitioners about the experience of obtaining an Education Health and Care plan and, in some cases, a personal budget and related outcomes. The Children and Families Act aims to transform the SEND system to better meet the needs of children, young people and their families. The national and local data generated by using POET provides a way to evidence this change and influence implementation locally and nationally.

Further information on POET can be found on Liverpool's [Local Offer](#) website.

Yours sincerely

Karen Gleave  
Service Manager, SEND
