23rd April 2019

Dear Parent/Carer,

This half term we are reinventing the way in which we give out homework in Year 1. We hope that this new approach will help your child to consolidate and share their learning with you in a fun and exciting way.

Your child will receive a 'Homework Grid' on which there will be several suggested homework tasks covering a range of topics which we will be exploring in class over the coming weeks. The approach, quantity and order of activities completed from this grid is the choice of your child and yourself. Similarly, the way in which these tasks are recorded and brought back to class is also a decision that you can make at home; it could be by photographs, drawings, sentences, models or any other method you feel is appropriate.

All we ask is that over the course of this term at least one activity from each row is completed and brought back to class.

We hope that through completing these activities together with your child you are able to share in their exploration and enjoyment of learning.

If you have any questions, please don't hesitate to ask.

Yours sincerely,

Miss Wray

Mrs Hargreaves
