Message from Mrs Hughes...

Hello to you all, I hope you are safe and well.

With only 2 weeks left of our school year, myself and all of the staff here at SMA are feeling quite emotional. What would usually be a time of celebration and goodbyes for our amazing Year 6 children is at the moment feeling like a very strange and uncertain time. Staff here at SMA are working hard on a couple of little surprises for the two Year 6 Classes of 2020 and I can say you should look forward to receiving them soon!

We are really happy to have opened up SMA to some additional children to attend our hub for the remaining weeks of the school year. We are hopeful that after the summer holidays, pending guidance from the Government and Local Authority, we can continue to build on this and can hope for some normality in September. I will keep you updated as and when I receive further guidance.

Our website is continually being updated with resources for parents and carers, you can find them here <https://stmargaretsanfield.co.uk/parents-info/> along with the individual class Home Learning resources under "Classes" on the drop-down menu. Home Learning tasks will finish on Friday 17th July, the original last day of term.

Just as a reminder, we are always looking to raise funds for the school so if you are online shopping please do consider going through the Easyfundraiser website to help raise funds for SMA. <https://www.easyfundraising.org.uk/causes/stmargaretsanfieldcep/?q=St%20Margarets%20Anfield%20&cat=cause-autosuggest>

Please all continue to stay safe and look after one another,
Mrs Lesley Hughes

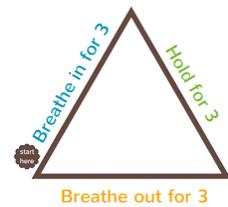

Book Recommendation...

"Ruby's Worry" by Tom Perciva is a lovely book and a great read for any children who are feeling anxious at the moment!

Activities this week

Mr Mackenzie has suggested trying out Triangle Breathing. Take a moment to find some calm. Check out Seesaw for more breathing techniques!

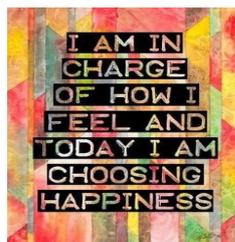

Seeing the world through a characters eyes—this was an activity from Seesaw where the suggestion is to take a cardboard box and turn it into your favourite characters world. You could try this with your favourite film or TV show too!

Gardening! Has anyone planted any seeds at the beginning of lockdown? I bet they are thriving now as most fruit and flowers will be out in blooms during this next few months!

Mrs Cave has been trying to learn Spanish using an app on her phone. Can you learn just one new word a day? By the end of the summer you could have mastered the beginnings of a new language!

Joke of the Week

Q: What wobbles in the sky?
A: A Jelly-copter!

"The LORD himself goes before you and will be with you; he will never leave you nor forsake you. Do not be afraid; do not be discouraged."

(Deuteronomy 31:8)

Thought for the day from David Thorpe our Senior Diocesan Schools' Adviser...

BE ENCOURAGED

Imagine the scene.
You are standing on the edge of a lake ... Jesus is standing in a boat talking to the crowd
He tells a story about a farmer sowing seeds.

You listen and you are captivated by His words.
Preparing the ground,
Sowing the seed,
Weeding when needed
Reaping the harvest.

YOU are the farmer in this story.
Instead of physical seeds you sow ...

Knowledge, Skills, Understanding, Character, Trust, Love,
Peace, Hope, Wisdom, Harmony, Justice, Mercy, Forgiveness

YOU make a real difference ... BE ENCOURAGED
