Message from Mrs Hughes...

Hello to you all, I hope you are safe and well.

We have dedicated the last few weeks to completing risk assessments for SMA. This is in readiness for further guidance from the Local Authority with regards to future further school re-opening. You can find a copy of our risk assessment document on our website <http://stmargaretsanfield.co.uk/wp-content/uploads/2020/06/RA-Reopening-School-Provision-June-2020.pdf>

We hope to hear from the local authority early next week and will update everyone at that time. At present SMA continues to operate as a hub for our keyworker's and vulnerable children.

Just a quick reminder that work is being set by our teachers and can be found under the "classes" drop down menu on our website. We are using the Seesaw app to keep in touch and children can ask their teachers questions on the app if there is something they are unsure about or would like further help with. We have continued to see some wonderful work and look forward to seeing more over this last half term of the school year.

Please all continue to stay safe and look after one another,
Mrs Lesley Hughes

Joke of the Week

Q: Which hand is better to write with?

A: Neither! It is better to write with a pencil

Thought for the day from David Thorpe our Senior Diocesan Schools' Adviser...

Continuing from Monday's Bible verse from the Sermon on the Mount

WHY WORRY?

Worry is thinking that we know better than God. Jesus said that God doesn't want us to worry ... as we were reminded on Monday, Jesus advises us to keep an eye on the birds and let them be our teachers.

**'Said the Robin to the Sparrow,
"I should really like to know
Why these anxious human beings
Rush about and hurry so."**

**'Said the Sparrow to the Robin,
"Friend, I think that it must be
That they have no Heavenly Father
Such as cares for you and me."**
-Elizabeth Cheney-

**"Do not worry
about your life
... look at the
birds of the air
... your heavenly
Father feeds
them."**

(Matthew 6:25-26)

Book Recommendation...

We have seen that Ally in Year 6 is reading Secret Seven books! Fantastic series! Does anyone else have any suggestions?

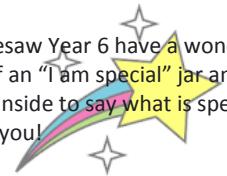

Don't forget there is a free library available on <https://readon.myon.co.uk/library/browse.html>

Activities this week

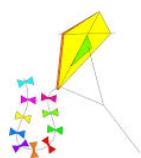

A few of our teachers have suggested some yoga for our daily exercise. Here is some sample poses how many can you do?

On Seesaw Year 6 have a wonderful idea of an "I'm special" jar and to put notes inside to say what is special about you!

While the wind has picked up lately why don't you have a go at making a kite! There are some great tutorials on YouTubeKids!

Create a Superhero!

Design a character who turns into a superhero and draw a comic book with them in. What are their powers? What is their costume like? Is there anything they can't do?
