St Margaret's Anfield

Church of England Primary School

With God, all things are possible.

Message from Mrs Hughes...

Hello to you all, I hope you are safe and well.

Just a quick reminder that we have delayed opening the school to any further children at the moment following the announcement from Steve Reddy, Director of Children's and Young People's Services, on Monday. You can read our update on the website here <https://stmargaretsanfield.co.uk/headteacher-update-regarding-y6-returning-to-school/>

We will keep you updated with further information or guidance as and when we receive it. For now, we are continuing to operate as an SMA hub for registered key worker children and children who are vulnerable. We have safety measures in place to keep our SMA children, families and staff safe at school which are kept under regular review.

I have seen some inspiring work on the Seesaw app this week, in particular, some fantastic artwork with regards to Black Lives Matter. Here at SMA, we are united to show our support for anti-racism and have encouraged pupils to create posters for us to put together in a video to music. Guidance of which has been sent separately in class emails. We very much look forward to working on this and showing you all the finished video. If we are unable to show all of the wonderful work, I do apologise in advance, however it may prove tricky to fit all of it in!

Please all continue to stay safe and look after one another,
Mrs Lesley Hughes

Book Recommendation...

"When Rosa Parks went Fishing" by Rachel Ruiz

This book is available free on the readon website see link below...

Activities this week

Miss Walsh has a great activity to try...

Make some play dough then have a dough disco!

Dough disco involves moulding a small ball of play dough in time to music and performing different actions such as rolling it into a ball, flattening it, putting each individual finger into the dough, rolling it into sausage and squeezing it.

This activity helps to strengthen children's fine motor muscles to enable them to develop their pencil grip which in turn will help to develop their writing skills. But most of all it's fun!

Miss Forrest inspires us to create a video of a play about being active such as dance or a sport! Tap into your acting, writing and directing skills for this one!

Mrs Cave loved watching the recent American SpaceX launch! What would you take into space on a mission with you and why?

Mr McHale would like to see everyone design their own football kit or dance costume! Are there any other clubs you belong to that you could design a uniform for? Or a sport you could invent?

Joke of the Week

Q: Why was 6 afraid of 7?

A: Because 7, ate (8) 9!!!

Thought for the day from David Thorpe our Senior Diocesan Schools' Adviser...

Despite the situation of the last three months, and the confusing messages about schools opening, we still have so much to be thankful for.

A couple of quotes I came across recently, sum it up rather well:

"It's not happy people who are thankful ... it's thankful people who are happy."

"Every day may not be good, but there is something good in every day."

**Who are you going to be thankful for today?
What are you thankful for?**

Take a few minutes out and thank God for ... why not watch this as you give thanks.

<https://www.youtube.com/watch?v=Eve2y-P-Zjk&list=RDEMK-udslE2yUbeTdDxLSD6A&index=3>

"I thank my God, every time I remember you."

Paul wrote to the Philippian church (1:3)
