### Message from Mrs Hughes...

Hello to you all, I hope you are safe and well.

You may have seen or heard announcements over the last few days from Mayor Joe Anderson about schools now being safe for more children to return. As it stands here at SMA, we are continuing to comply with weekly reviews of our risk assessments. We are now in a position to invite some children from our Vulnerable/Key Worker reserve list to come back to school. We will contact these parents and carers directly this week with a planned return date of 29<sup>th</sup> June. We will keep you up to date with regards to any further plans for wider opening via push notifications and details will also be posted on our website <https://stmargaretsanfield.co.uk/>

We do have some further information for parents about preparing to return to school on the website under 'Parents Info' that is very helpful for when we do start wider opening, you can find the links here <https://stmargaretsanfield.co.uk/parents-info/>

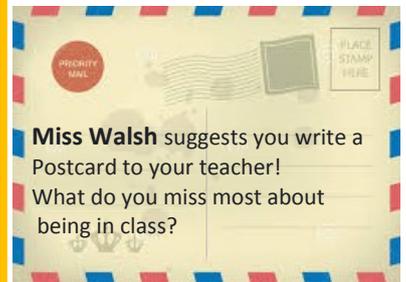

This information includes guidance on staying safe at the school gates and travelling to school. I would like to take this opportunity to remind everyone about our fantastic "park and walk" carpark at the sports centre. It is always tempting to try and park closer to school, particularly when the weather is bad, but the 5 minute walk from the sports centre is a wonderful way to get everyone active on their way into school if you do drive to arrive!

Please all continue to stay safe and look after one another,  
Mrs Lesley Hughes

### Book Recommendation...

If you liked last week's book you'll love "Amazing Grace" by Mary Hoffman, a book ideal for children from nursery right up to year 3! You can find more amazing books like these by clicking here. <https://www.lovereadng4kids.co.uk/genre/div/Diverse-Voices.html>

### Activities this week

### Junk Modelling!

Collect and recycle materials such as yoghurt pots, boxes and toilet rolls and see what you can create.

### Thunderstorms

We have been having some very mixed weather this week! How did you feel during the thunderstorms? Can you draw a picture of what you think causes a storm? Use your imagination!

### Celebration Days!

We have recently celebrated Fathers Day in the UK! Are there any other celebration days that are special to you? Try designing an invitation for your friends and family to a special event of your choice!

Happy times  
are never ending  
when we're  
playing &  
pretending

### Joke of the Week

Q: Why are fish so smart?

A: Because they live in schools!

### Thought for the day from David Thorpe our Senior Diocesan Schools' Adviser...

I hope you all manage to have some time of refreshment over the weekend.

#### GOOD SHEPHERD

Don't be afraid, Little Flock,  
I'm your Good Shepherd.  
You have everything you need.

When you're hungry,  
I'll feed you.

When you're thirsty,  
I'll give you water to drink.

When you're tired,  
I'll bring you cool shade  
where you can rest.

I will rescue you.

Protect you.

Love you.

"Jesus said, 'I am the good shepherd, I know my sheep and my sheep know me ... I lay down my life for the sheep.'"

(John 14:14-15)
