

Parent's comments on learning this week:

As we are unable to send out our weekly information in the children's individual books, we would love you to share your comments with us via email to: reception@st-margaretsanfield.liverpool.sch.uk Please feel free to share comments, photos and anything your child has been doing at home that we can share in Reception.

Please remember to return on or before Thursday.

Topic

This month is 'Black History Month'. We have been thinking about what makes us different and similar. We understand that we are **UNIQUE** and special because of our similarities and differences. We used our developing motor skills to paint self-portraits.

Date given: Friday 9th October 2020

Dear Parents and Carers

Please ensure that your child has wellies in school as we play out in all weathers.

Also, please ensure that your child comes to school on Friday in their P.E kit. They can wear joggers and their school jumper as the weather is getting colder. The children can also wear trainers.

Mathematics and Literacy

In Maths this week we have been focussing on the number 0. We developed our awareness of the value of 0. We looked at 0 in terms of capacity and quantity.

We have started learning some letter sounds (phonemes) this week. We have learnt the letter sounds t, i, n and p. We have also been talking about what makes us good at learning. We read a variety of stories that promote having characteristics such as perseverance, creativity, a 'have a go' attitude, and ability to make links between learning experience.

Homework

Practise forming the numbers 0-10 correctly. Use the Ten Town number formation sheet to help.

Thank You
