

Parent's comments on learning this week:

As we are unable to send out our weekly information in the children's individual books, we would love you to share your comments with us via email to: reception@st-margaretsanfield.liverpool.sch.uk
Please feel free to share comments, photos and anything your child has been doing at home that we can share in Reception.

**Please remember
to return on or
before Thursday.**

Topic

This week we started to learn about growing. We listened to the story of Jack and the Beanstalk and discussed the characters, setting, problem and solution. We then used our imagination to offer ideas of what we would like to find at the top of the beanstalk. We planted beans and talked about what they would need to grow.

Date given: Friday 26th February 2021

Dear Parents and Carers

Please ensure that your child has wellies in school as we play out in all weathers.

Many Thanks!

Mathematics and Literacy

In Maths this week we have been learning about one more and one less than a given number. We used number squares and number lines to support this developing knowledge. We also looked at object amounts and took one away and added one to see how this changed the amount altogether. We played a bus stop game, adding one or taking one passenger off the bus.

In Literacy this week we have been making predictions and using our imagination as we have been listening to and retelling stories about dragons. We also recapped adjectives and thought about interesting and exciting ways we could describe the different dragons we encountered in the story.

Homework

Practise using the Phonics sounds that you have learnt this week. Write words using your Fred Fingers and the sounds that you have learnt.

Also, practise reading these words
ham, hop, chop, sink, wink, pot,
top, tip, cap, fan, thin, think
