

Parent's comments on learning this week:

Topic

This week we have been painting daffodils from observation. We looked closely at each part of the daffodil and painted it carefully trying to be as accurate as we could.

We discussed Mother's Day and made a heart for the people we love. We used our developing fine motor skills to weave ribbon around the heart to decorate it.

Dear Parents and Carers

Please ensure that your child has wellies in school as we play out in all weathers.

Also, please ensure that your child comes to school on Friday in their P.E kit.

Thank You

Please remember to return on or before Thursday.

Date given: Friday 12th March 2021

Mathematics and Literacy

In Maths this week we have been learning about money. We recapped all of the different coins. We sang the '5 Currant Buns' song and instead of paying 1p each time the children had to find the correct coin to pay 1p, 2p, 5p, 10p, 50p, £1 and £2.

We have been learning about non-fiction books. We looked at the features of a non-fiction book as we learnt more about shopping. We also used our phonic knowledge to write shopping lists in preparation for making soup. We discussed healthy and unhealthy foods and then decided which vegetables would be the best ingredients for soup.

Homework

Practise using your Phonic knowledge to write labels for the daffodil.

Which part is the
petal
trumpet
leaf
stem
