MESSAGE FROM MR GRIFFITHS

Welcome back after the half term holiday! Our attendance has gone up to almost 94% this week, a great improvement in comparison to before half term. Let's keep this up and hopefully hit the 97% target before Easter.

After school clubs start up again next week along with Year 6 Booster Extra Curriculum after school sessions. If your child has been invited to attend an after school club or extra curricular activity they will have been given a letter by their class teacher. **All permission slips must be returned to confirm your child will attend.** Please ensure you check the finishing time of your child's session (see list to the right of this message) and arrange to pick them up promptly at that time. Any changes will be notified by Parent App and email please ensure your notifications are switched on.

If you have changed your contact details during the half term holiday please ensure you update the office with any new address, phone number or email address to be sure you are receiving any updates from school.

We have World Book Day coming up on 7th March. A letter went home before half term with all children and you can find a copy [here](#) with all of the details.

Have a great weekend!

Mr Griffiths

UPCOMING EVENTS

ATTENDANCE REPORT

MONDAY 19TH FEBRUARY 2024—FRIDAY 23RD FEBRUARY 2024

This week's % attendance

What happens if your child does not attend school regularly?

- You will be contacted by Ms Cavanagh.
 - You may be invited to attend a meeting in school to discuss how we can work together to improve your child's attendance and to set up an attendance support plan.
 - As a school, we are responsible by law for reporting poor attendance to the local authority.
 - As a parent, you are committing an offence if you fail to make sure that your child attends school regularly.
 - You run the risk of being issued with a penalty notice or being taken to court.
- A child who has an attendance figure of 90% or below is now classed by the government as 'a child with persistent absence'.

SMA Attendance Target

There is sometimes a perception that an attendance rate of 90% is good.

This is because an examination score of 90% means excellence. However, as an attendance rate, 90% is unsatisfactory, it equates to missing 20 days per year.

We consider below 92% as approaching persistent absence.

The whole school attendance target this year is 97%.

Parent/Carer Support

We must ask you, our Parents/Carers to support us in improving the attendance of our children.

Every lesson really does count for your child, children can quickly fall behind if even one day is missed, catching up even a little lost time from school can be really difficult. Good attendance is linked to achievement, better relationships with other children and better overall behaviour in school.
