5th September 2025

Dear Parents/Carers,

Home School Link

We will be sending home a 'Home School Link' document with your child. This document is designed to support and encourage conversation at home about key areas of learning that your child has experienced in school. The document will be updated weekly and will include information about your child's school learning, their homework task and a space for you to share any home learning or response to discussion that you and your child have had about their learning. This link between school and home will help us to create a whole picture of your child's learning and support in their continued development.

The 'Home School Link' document will be sent each Friday.

If you have any questions, please ask a member of the Reception Team.

Kind Regards,

Miss L. Harper

EYFS Lead
