2nd October 2025

Dear Parents/Carers

Swimming - Important Update

Please see the attached letter from School Improvement Liverpool which details the Health and Safety requirements involved in your child's swimming lessons.

There has been an increased number of children wearing jewellery, makeup (including false eyelashes), and nail varnish (including shellac and false nails). Children **will not be permitted to swim** if they are wearing any of these items, as they pose a health and safety risk during swimming sessions. Swimming is part of the school curriculum and children must take part.

We kindly ask for your support in ensuring that your child is prepared appropriately for swimming lessons each week.

Regardless of whether your child has swimming please ensure your children are coming to school ready to learn and in appropriate uniform. This includes removing all jewellery (as per our Uniform Policy), makeup, and nail products before coming to school each day.

Thank you for your continued cooperation.

Kind regards,

Mr Griffiths
Headteacher
