

Dear Parents and Carers,

This week, we would like to recognise the outstanding efforts of our Year 6 pupils. Their hard work has truly shone through, and they were proudly presented with their hoodies, which they may now wear as part of their school attire. They also enjoyed a well-deserved treat with a visit from the ice-cream van.

In addition, a group of Year 4 pupils took part in Monster Football coaching. Their behaviour was exemplary throughout the session, and they thoroughly enjoyed the experience, finishing the afternoon with a goody bag.

As we approach the final week of this half term, we would like to remind families that our special themed lunch will take place on Thursday and is available to all children. We hope to see an improvement in the weather and continued progress in attendance.

Looking ahead, the final term of the school year is shaping up to be an exciting one. We have a range of events planned, including class trips, our summer fayre, sports day, and Arts Week. There is so much for the children to look forward to, and we remain committed to giving them the very best educational experience.

Have a lovely weekend

End of the Week Update for Parents/Carers

SMSC

At our school, SMSC (Spiritual, Moral, Social and Cultural) development is at the heart of everything we do, supporting students in becoming respectful, informed and responsible individuals.

We actively take part in a wide range of cultural events throughout the year, celebrating diversity and learning about different traditions and beliefs. We also ensure students have a voice through school council elections, giving them the opportunity to represent their peers and take part in decision-making within the school community.

We regularly invite special guests, such as authors, community workers and police officers, who share their experiences, inspire students and act as positive role models. Initiatives like *Show Racism the Red Card* further promote inclusion, equality and mutual respect. Through these opportunities, our pupils develop confidence, empathy and a strong understanding of the world around them.

This Week's Book Recommendation...

"A Monster Ate My Packed Lunch! By Pamela Butchart

On a school trip to a lakeside campsite, Izzy and her friends are sure something strange is going on. Lunches keep disappearing! Packed with humour, chaos, and lively black-and-white illustrations this is a great story perfect for new and reluctant readers in Year 3.
