ATTENDANCE
COUNTS.**

Friday 18th September 2026

Dear Parents/Carers,

This week has been truly wonderful, filled with great energy and outstanding attendance. A huge well done to 3A for achieving 100% attendance—what an achievement! When children are in school every day, they gain so much more than knowledge. They build friendships, enjoy shared experiences, and develop the skills that will support them throughout their lives.

I had the joy of accompanying 12 of our pupils to a coding competition on Wednesday. They were incredible, tackling complex coding problems with determination and teamwork. Our cross-country team also kicked off their season at Croxteth Park. Every runner gave their all, and they'll only get better as they continue to train. Thank you to Mr Anderson, Mr McHale, and Miss Dixon for making this possible.

Today we supported Jeans for Genes, raising awareness and funds for children living with genetic conditions. Meanwhile, Year 4 enjoyed a trip to the museum, and Year 2 explored the art gallery—fantastic experiences that bring learning to life.

Thank you to all the parents who joined us for Meet the Teacher this week. We appreciate your involvement and look forward to welcoming more families next week.

Wishing you all a lovely weekend. Let's keep this brilliant attendance going—our school shines brightest when every child is here.

Please look out for letters around a very special guest to school on the 30th October and European day of Languages and a Macmillan coffee morning next week.

Have a lovely weekend,

Mr Griffiths
