25th September 2026

Dear Parents and Carers,

Home School Values

At St Margaret's, we are always looking for ways to strengthen the partnership between home and school, particularly in supporting our children's personal development and Christian values.

We are pleased to introduce a new section on our school website: **Home School Values**.

Each half term, we will upload a **Home School Values Sheet** linked to the value children are exploring in their class-based Collective Worship. These sheets are designed to be simple, engaging and enjoyable for families to use together.

Each sheet will include:

- A **Bible verse** to read and reflect on
- **Words of wisdom** to inspire discussion
- **Fascinating facts** linked to the value
- **Fun challenges and activities** to try at home

We hope this will support you in having meaningful conversations with your child and help them to see how our school values can be lived out in everyday life.

You can find the Home School Values page on our website here:

<https://stmargaretsanfield.co.uk/home-school-values/>

Even small discussions can make a big difference in helping children grow in kindness, respect and understanding.

Thank you for your continued support in working together with us.

Yours sincerely,

Miss J Howard
Assistant Headteacher
