MOMENTS MATTER, ATTENDANCE COUNTS.

Dear Parents/Carers,

It has been another busy week in school. Unfortunately, we have experienced a significant amount of illness, which has led to lower attendance than usual. We are hopeful that, after a restful weekend, the children who have been unwell will be feeling much better and ready to return to school on Monday.

Please remember that children can attend school with a cough, provided they are otherwise well enough to be in school. We are finding that many of the coughs circulating this winter are lingering for several weeks, and we do not want children missing valuable learning time unnecessarily.

We now have just four weeks remaining this term, and there are many exciting events planned for the children to enjoy. On Tuesday, we will be holding our Reception Open Evening. If you know of any families with children due to start school in September, we would be grateful if you could recommend our school and encourage them to come along and see what we have to offer.

A huge thank you for all of the bottle donations received for our Christmas Fayre. Your support is greatly appreciated. Next week's collection theme is chocolate donations, and we are grateful for any contributions you can provide.

As always, thank you for your continued support. We hope that all of our children who have been poorly are feeling much better next week and that our attendance returns to the excellent levels it has maintained throughout the year.

Have a lovely weekend.

Mr Mark Griffiths
Headteacher
